Hi John,

Any word on whether the proposed desk statement is still ok or suggested edits? I understand that Paul Hagemeyer may have a call in to Bob Sussman, so we would appreciate being able to let Bob S know the latest, soon.

thanks!

Hi John,

I think we are on the verge of resolving all the outstanding questions regarding our collaboration on our

prospective case study in Oklahoma. Several months ago, Stephanie Timmermeyer and I worked out the attached text so that we could update our website and explain why we are changing locations. The attachment contains the language we agreed to at that time. Would you please review the proposed text to make sure that it still works for Chesapeake and let me know whether it is ok as is?

Thanks,

Jeanne
